A Sheep Story.

Under the head of "uncertainties of Arlzena enterprise," The Visalia Delta publishes, and the San Francisco Bulleain reprints the following choice in-

cuptured before morning, and at day, expected in a hitherto untiled sheep out of a few head of sheep, and this, same Pima Indiana, is only hastening the reckoning with them. As to the "border bands of Spanish stock thieves and lawless rufflans who stand as mid. dlemen," etc., etc., it is barely possible that this passage is taken from Judge Cozzen's "Marvelous Country," but if the book contains any thing as good as that, we deeply regret not conding it more carefully.

In conclusion we can only say to those centemplating a sleep incursion erring sheepmen. You may fall. In I trust that it will commend itself to fact by the establishment of public ity in this Territory and put every one on a common level. But we have magnificent pasture lands and some other considerations valued by the
